Event Descriptions

Happy Hour Blogging Lab

An evening roundtable "lab" that covers 1 or 2 juicy blogging issues and questions. Visit <http://www.meetup.com/Breakfast-Blogging-Club> for more info and to enroll.

Cost is \$15, Pre-Registration recommended.

February 23 - Tuesday - 5:30 - 7:30 PM

Make:SF Monthly Meeting

Meet with local makers and do a show-and-tell of your technology, craft, or art projects. Check out <http://makesf.org> for information. First Tuesday of every month.

February 2 - Tuesday - 7 - 8 PM

Weekly Bloggers Support Group

Digital media teacher and blogger Ted Curran guides the group as we discuss technologies, marketing, design, writing, and other questions. Short presentation, followed by discussion.

\$5 - Fridays, 12:30 - 2 PM

Drupal 501(c)3

Weekly "coffeehouse" style working meetup, with an emphasis on sharing support for non-profit and community oriented projects.

Fridays - 2 - 4 PM

Electronics Night

Work on projects in a social evening of fellow inventors and electronics hobbyists. We have plenty of tools and solder. *RSVP required.*

Most Tuesdays - 7:30 - 10 PM

East Bay WordPress Meetup

Meet other WordPress users and programmers at this monthly meeting. See <http://www.meetup.com/Eastbay-WordPress-Meetup/> for more info and to register.

\$3 - February 21 - Sunday - 1 - 3 PM

Featured Workshops

Sick Computer Day

Whether it needs a tune up or major surgery, our onsite tech consultant offers free inspections and quotes, and competitive prices for tune-ups and repairs on both PCs and Macs.

Registration recommended.

February 3 - Wednesday - 11 AM - 6 PM

Digital Photography Workshop

Following our January series, this ongoing, monthly workshop will help you learn to share and use photography and video online. Learn to use Google Picasa, Flickr, and Facebook to share with your friends and family. Keep up with new equipment and technology!

Cost: \$20

February 17 - Wednesday - 6 - 7:30 PM

Webifying Women

For entrepreneurs who want a better way to streamline their online efforts and communicate efficiently and effectively with prospects, partners and clients.

\$5 - February 4 - Thursday - 6 - 8 PM

Business Growth Design Studio

Turn your ideas into services, products or publishable content customers want to buy. This is BVA's signature program where 60% of graduates increase revenues from 25-100% in the first year and keep growing! Visit <http://www.businessvaluealliance.net/> for more info and to enroll

Coming in March 2010

First Tuesdays - 9 AM - 12 PM

BMUG Database SIG Meeting

Discussion of all things Mac and Databases: http://www.barefootdigital.net/bmug_dnsig/

February 20 - Saturday - 10:30 - 1 PM
